Assetto Corsa is a highly acclaimed racing series designed by Kunos Simulazioni and considered by racing fans to be one of the most authentic and exciting. Players will have to compete with each other in various racing disciplines such as rally, road and even drift, as well as take part in endurance competitions where they will have to fight for points and eventually for the title of champion. The developers promise us a realistic simulation using a physics engine, as well as numerous improvements and improvements that will affect the gameplay in the future. Gamers will be able to test for themselves and feel every cool
